M.C.T.C. Shoot Saturday 14<sup>th</sup> March 2026.

### 100 Target Presidents Handicap [High Gun Miroku Mk 38]

1/ Set Up: The ever reliable members of the Packers and Stackers Union led by their inscrutable leader, [Crusher Joyce] were on the job early. All members breathed a sigh of relief upon the presence of our Trap Master aka Mick Peck – the day can only get better.

It was pleasing to see shooters from other clubs come to support the event. Including, Wonthaggi, Nepean, Frankston, Mansfield, Melbourne, Woods point and Korumburra.

2/ Acknowledgements: Chook [Johnny Williams] for his work in the shop especially with nominations and sale of ammunition.

To our indefatigable President Phil Lancaster who along with Stephen Lancaster run the shoot office with precision. Also for shoot ground maintenance and lunch preparations – somehow he manages to partake in a shoot.

Our Trap Master aka Mick Peck who eagle eyes keep the shoot grounds in running order. He will let you know in no uncertain manner if any indiscretions occur.

Our Treasurer: Wayne Jenkins for the breakfast and lunch Bar.B.Q. being assisted by Russell aka the athlete.

Nikki Thursfield: For organizing the raffle, shoot day photographs, club face-book and in clubrooms cleaning.

Mandy McCrae: From Wonthaggi who generously assists in kitchen, food preparation and cleaning.

Appreciation also to Rob Cale and Jaxon Marriott – the latter, who with his chain saw cleaned up the fallen tree near the large waste bins.

3/ Shooting Conditions: Initial patchy cloud cover that cleared revealing blue skies. Light and variable winds South to South East @ 9 knots. Top temperature of 24 degrees. I have been constantly pressured by many shooters to please include the most important meteorological measurement – that being the DEW POINT. I am pleased to announce that the Dew Point was 11 degrees. Thank you to our aviation expert and treasurer “Biggles” aka Wayne Jenkins for his expert assistance.

4/ Targets and Traps: Traps 1-4 were used and Corsivia green dreams were loaded. Our Trap Master aka Mick Peck was in excellent form and had all traps locked, loaded and set with impressive efficiency. Crusher Joyce has taken up the mantle of “Target Speed King” wielding expertly the radar gun calling out target speeds to the Trap Master. Roaring and expletives would come from within the trap during this process.

5/ Shooters and squads: There were 52 nominated shooters and 12 squads. Scores in Event 1 Ranged from 48/50 – 34/50 1<sup>st</sup> Dennis Comelli, 2<sup>nd</sup> Dave McHutchison.

Event 2 Ranged from 48/50 -22/50 1<sup>st</sup> Phil Thursfield 2<sup>nd</sup> Adam Laureano

Event 3 [combined] 95/100 – 36/100 Winner of the high gun was Phil Thursfield with a score of 95/100.

6/ Veterans won by S. McNab with a respectable 94/100.

8/ To those who missed it: The clash of the titans continues for the prestigious C.P.Cup. Doc managed to have a 2 target advantage after the first round, extending it to 5 going into the final round. Crusher made a desperate effort but the Doc held him off to record a 4 target victory. Scores Doc 5 Crusher 3.
