M.C.T.C. Shoot Saturday April 11th 2026.

15 pair Double Rise, 30 pair select partners Deauville Doubles and 30 pair drawn Partners Deauville Doubles.

1/ Preamble: The reliable and unflappable early morning set up crew were in excellent form and quickly had the shooting grounds in readiness for a seamless day of competition.

2/ Acknowledgements: To the tireless efforts of the Packers and Stackers union and Rob Cale in keeping traps filled and running smoothly. Nicki Thursfield, for photos and assistance in the kitchen. Jackson McCarthy [Wonthaggi] and Sarah Hockley also for kitchen assistance. Our Secretary, Wayne Jenkins for terrific efforts on the Bar-B-Q - assisted by Russell. And a big call out to the members whom on the Friday afternoon filled the traps with boxes of targets in readiness for Saturday.

3/Points of interest: Double Rise shooting originated to make shooting game more challenging. First tournament in 1911 following the introduction of automatic trap machines in 1909 – throwing 2 targets at diverging angles. Single trap shooting had used artificial targets since the 1880's.

Appeared in the 1912 Stockholm Olympics with Jay Graham being the first American to win a gold medal in the doubles.

4/ Shooting condition: Partly Cloudy, winds westerly 25 – 35 km/h with gusts up to 45km/h. Light intermittent showers, top temperature of 15 degrees and a dew point around 9-10 deg C.

5/Traps and targets: Traps 2 and 3 were used for the entire competition. Despite difficult, trying and windy conditions the traps were set expertly and with precision by our talented president Phil Lancaster. Valued assistance was
